RE: Scope determination on antidumping duty order on certain artist canvas from the People's Republic of China (A-570-899)

1. On 07/14/2015, in response to a request by Tara, Inc., a domestic producer of certain artist canvas, Commerce issued a final scope determination that print canvas is within the scope of the antidumping duty order on certain artist canvas from the People's Republic of China ("PRC") (A-570-899).
2. Because print canvas is manufactured in the same manner as other subject artist canvas, using the same materials, bulk rolls of canvas to be used as print canvas are coated, and "printable canvases" are specifically cited in the scope language of the antidumping duty order, as an example of subject merchandise, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of certain artist canvas from the PRC, including print canvas, described above, subject to the antidumping duty order on certain artist canvas from the PRC.
